INFORMATION ~ CLUBS - Sheet 1

STONELEIGH has always, and will continue, to be considered as the **WORLD'S NUMBER ONE SHOW**. It is the annual mecca for every kit car enthusiast, both here in the U.K. and overseas. Stoneleigh is the only Show where many new projects are launched each year and any manufacturer who has serious intentions within the industry will always exhibit.

There are some excellent facilities available and a good atmosphere can be created within the Royal Showground. We are offering Clubs a display area where they can group their members in one area and put on a Club recruitment presentation. The Club display site is free of charge.
